School Aims

Present and reinforce all aspects of the Modern Greek language to our students, including vocabulary-building, reading, Greek culture, heritage, writing and grammar with emphasis on conversation. Greek poems, prayers, songs and dances are also used to teach the students about the religion and history.

We aim to enhance bi-cultural and bilingual awareness and to promote the moral and ethical values of the Greek Orthodox families.

Our school takes children from the ages of four for Nursery classes, up to GCE A-Level age group.

The School Day

The gates open at 10.00am on Saturday. A member of the school committee will be on the door to greet you and also ensure the safety of the children. A teacher is also on duty on the playground before the bell rings and also at all breaks.

- 10.30am: The Bell rings and all children should be on the playground ready to start the School day
- 10.30am – 12pm: Lessons
- 12pm – 12.25pm: 1st Break (please provide your child with a packed lunch)
- 12.25pm – 1.30pm: Classroom lessons continue
- 1.30pm – 1.50pm: 2nd Break
- 1.50pm – 2.50pm: Lessons
- 2.50pm – 3.00pm: Assembly (in Christoforos Cartoudis Hall)

Parents are asked to wait at the school gate at the end of the school day. At 3pm the gate will be opened where parents can then go and collect their children.

Homework

All children are given homework to complete. Please spend time reading and helping your child. It benefits them and reinforces the learning from the school day.

Parent-Teacher Meetings

We have a parent-teacher meeting three times a year (towards the end of each term) where you are able to discuss your child's progress with their class teacher.

School Yiortes

The school has three Yiortes a school year. These are normally celebrated after the Church service on the closest Sunday after the celebration.

1. The 'OXI' Yiorti: Near the 28th October
2. Christmas Play: The last weekend of the Christmas term
3. 25th March / 1st April: Annunciation of Virgin Mary & Greek Independence Day/Greek Cypriot National Day

Throughout the school year, the children learn traditional Greek songs and dances to perform at these Yiortes. Children are also given poems to learn for the Yiortes. We ask that you spend time helping the children learn the poems at home. On these days the children are asked to wear blue skirts or trousers and white shirts (unless instructed otherwise by their class teacher). Photos are taken and can be added to the school website; www.orthandrewgreesch.co.uk

Communication

We have a text service set up to keep you informed of any school closures, important activities, events or general information. We also send information letters by email. Please ensure that the school has up to date information regarding contact details.

We also email a newsletter quarterly to let you know what is happening in and around the school. These newsletters are also available on the school website.

Greek School Committee

We have a vibrant and active Greek school committee who support the teaching staff and help maintain the School. Fundraising is a very important aspect of the School.

We are supported by both the Church Committee and Ladies Committee of Apostolos Andreas, but we strive to be self-sufficient. We are always looking for new members to join the committee, so if you have a few hours to spare the committee would love to hear from you.

The School Curriculum

The school follows the official syllabus of the Cypriot Ministry of Education, which is provided to all the Greek schools in the UK by the Cypriot Educational. Course books and other teaching material are distributed to children free of charge and they come directly from the Cypriot Ministry of Education. This material is very modern and specifically designed and produced, in order to meet the needs of children of Greek origin who live in the UK.

The curriculum for Greek School includes 15 minutes Religious Education (R.E.), 20 minutes traditional songs, 20 minutes Greek traditional dances and 20 minutes Social Topics (Greek History, Geography, Den Ksehno).

As your child gets to the fifth grade, our teaching starts to focus on the national GCSE curriculum for Modern Greek. We are affiliated with the Joint Council for Qualifications (JCQ) and Pearson (EdExcel).

We also cater for GCE AS-Level and A-Level should you or your child wish to carry on studying. This is also managed through JCQ and Pearson (EdExcel).

If you have no children but would like to learn Greek, we also offer Adult lessons in conversational Greek.
